The Friends of the Puyallup Public Library is a non-profit volunteer organization whose purpose is to support the Puyallup Public Library.

The Friends raise money via membership dues, direct donations, sales of donated books, and by social fund raisers. The library uses the money generated by these activities for special projects and programs not provided for in its annual operating budget.

The Friends rely on your generous support to ensure the presentation of special programs and projects.

We appreciate memberships, gifts, and donations of books and related materials to our bookstore. In addition, we need volunteers to help with the vital programs and projects we fund.
